I would like to thank Vicki for filling in for me while I was away. It is fantastic to be back and having fun with the children at before and after school care.

### What we did last fortnight!

The children in the last fortnight have done painting, and other arts and craft like drawing, and designing the Buddy Bear house. They have enjoyed playing board games and teach their friends to play. A height chart has been added so the children can see how much they grow during the year and self-portraits which include things they like to do. Tall towers were built using connector straws and lego buildings were built. The children have participated in freely chosen play which always includes physical activities, which include soccer, ball skills, helicopter and red rover.

### What we have planned for the next fortnight!

We will be continuing with our Better Buddies program to help the children to learn more about each other and how we can interact in friendly ways. The children will be participating in group games, arts and crafts and sports to develop friendships at before and after school care. A few of our planned activities include, about me posters, building the house they have designed for our buddy bear, creating a Welcome Bunting, and learning how to say welcome in different languages. Outside games the children enjoy are soccer, cricket, shadow tag and red rover, the fort and just running around having lots of fun with each other.

We offer homework club if you would like to have your child/ren do it at after school care.

### Important Notices:

Please remember to bring your hats so that we can go outside to play.

Starting next week on Tuesday the 23<sup>rd</sup> February we will be holding an afternoon tea and play time for the children, which is run in the school hall. You are all welcome to attend with from 3pm to 3.30pm. While you are here if there are any questions you have I will be able to answer them for you. We feel that this is a great way to meet some more of our school community and for you to see our service while it is being run. Looking forward to meeting you and your children.
