Phone: 0438 051 962

What we did last fortnight!

We have been real busy in the last fortnight. We had continued on with our Better Buddies Program. The children have all done profile pictures, played group games having lots of discussions, including what we want to be when we grow up, things we like and about family and pets. While learning about how other countries say welcome the children felt we were a family and wanted to create a family tree, so we discussed this and set out a plan of how we wanted it to look and is now starting to take shape. Our welcome Bunting is finished and on display for everyone to see down at the hall. Other activities include, painting, chalk drawings, 3D art along with our 3D paper art also on display at the hall. The children have been engaging well with each other and are happy to see new faces join the service. We also love to spend time outside in the wonderful fresh air, joining in with sports, playing on the fort and visiting the chickens to feed them the left over scraps from afternoon tea.

On Thursday afternoon we had some surprise parcels arrive. The children had so much fun opening up the boxes to see all the new resources we have. Games, puzzles, car mats, worm farm, books, and a craft trolley are some of the items we have received.

What we have planned for the next fortnight!

In the next fortnight we will be continuing to add information to our family tree as we are excited to see it grow. Dinosaur week will start on Monday learning about the different species as we have a number of children interested in them. Art and craft activities have also been planned around these prehistoric creatures. In the following week we are heading to Ireland, to celebrate Saint Patrick's Day, which is on the 17th March.

Other activities will include, cooking, physical activities which include soccer, group games, helicopter, skipping, ball games time on the oval and the fort. Board games, puzzles, lego, and recycled construction are a few other items we have on offer during the fortnight.

We offer homework club if you would like to have your child/ren do it at after school care.

Important Notices:

Please remember to bring your hats so that we can go outside to play.

Starting next week on Tuesday the 23rd February we will be holding an afternoon tea and play time for the children, which is run in the school hall. You are all welcome to attend with from 3pm to 3.30pm. While you are here if there are any questions you have I will be able to answer them for you. We feel that this is a great way to meet some more of our school community and for you to see our service while it is being run. Looking forward to meeting you and your children.

This month in History:

March 17, 1845 the rubber band was invented. Can you imagine life without them!?!

March 29, 1886 Coca Cola is invented.

March 31, 1889 The Eiffel Tower opens in Paris, France

Donations Welcomed:

GREAT FUN
