What we did last week!

This week we brought the outside inside, painting rocks and leaves, creating nature collages, leaf rubbing and leaf stencilling. All these items are displayed in the hall for all to view. The children were excited with the new table tennis table and have played that often this week. We played group games like helicopter, soccer, tag and having lots of fun.

Other activities include, painting, drawing, lego, cars and home corner. The children have been engaging well with each other and are always happy to see new faces join the service. We also love to spend time outside in the wonderful fresh air, joining in with sports, playing on the fort and visiting the chickens to feed them the left over scraps from afternoon tea.
