What we did last fortnight!

We have had lots of discussions about what Anzac Day means. The children create a wonderful display that they painted of a field of poppies, paper plate poppies and a wreath that was not only included during the whole school assembly but also the dawn service where it was placed alongside the schools wreath in Memorial Lane in Mary Street. The children felt proud to see that something they worked on was placed on display.

Rexie the T-Rex was made by one of our children using zoobs. The children also made a bed, pillow and blanket for him to rest. He has joined in with lots of play this week.

Water pistol painting was lots of fun as the children want to do this activity again. We have grown water cress using 2L bottles recycled, which the children have been eating during BSC and ASC. We played group games like helicopter, soccer, tag and having lots of fun.

Other activities include, painting, drawing, lego, cars, paper planes, and home corner. Recycle construction was a hit last week where children made planes, dinosaurs and even a see-saw for buddy bear. The children have been engaging well with each other and are always happy to see new faces join the service. We also love to spend time outside in the wonderful fresh air, joining in with sports, playing on the fort and visiting the chickens to feed them the left over scraps from afternoon tea.

What we have planned for the next fortnight!

Planned activities in the next fortnight will include Mother's Day crafts. We will be starting our Better Buddies Leadership Program. Other activities will include, physical activities which include baking, soccer, group games, helicopter, skipping, ball games time on the oval and the fort. Board games, puzzles, lego, and recycled construction are a few other items we have on offer during the fortnight.

We offer homework club if you would like to have your child/ren do it at after school care.
