What we did last fortnight!

In the last couple of weeks we talked about healthy eating, created a food pyramid and facts about our body. We added information to a display folder so that the children can access this all the time. Dinosaurs, dinosaurs The children enjoy taking and finding out about dinos. The children enjoy topics to paint, so on Wednesday we painted pictures of our super heroes. Group games like marco polo, duck duck goose, musical chair and musical statues have been enjoyed as well. Other activities have been included are painting, drawing, lego, cars, paper planes, and home corner, cars, straw and connectors. The children have been engaging well with each other and are always happy to see new faces join the service. We also love to spend time outside in the wonderful fresh air, joining in with sports, playing on the fort and visiting the chickens to feed them the left over scraps from afternoon tea.

What we have planned for the next fortnight!

In the next fortnight we will be looking at animals and creating artwork. The children are excited about doing some science experiments as well. Other activities which will include, physical activities, drawing, painting, baking, soccer, group games, helicopter, skipping, ball games time on the oval and the fort. Board games, puzzles, lego, and recycled construction are a few other items we have on offer during the fortnight.
