### What we did last fortnight!

We have had a very busy last 2 weeks. We celebrated birthdays and have been able to have parties and games. Animals have been a big topic where we looked into animals and created some artwork. Science week has been fun with making flubber, creating tornados in a Jar, walking water and more. Puffy paint was a hit with the children so we will definitely make more again. We fixed up our sustainability display and talked more about saving water as well what they do at home to help the environment. The children have been thinking of topics that we can implement for next term. Other activities have been included are painting, drawing, lego, cars, paper planes, and home corner, cars, straw and connectors. The children have been engaging well with each other and are always happy to see new faces join the service. We also love to spend time outside in the wonderful fresh air, joining in with sports, playing on the fort and visiting the chickens to feed them the left over scraps from afternoon tea.

### What we have planned for the next fortnight!

In the next fortnight we will be looking at animals that live in the snow. Most of the children enjoy minecraft so I will be looking into activities based on cube shapes. Other activities which will include, physical activities, drawing, painting, baking, soccer, group games, helicopter, skipping, ball games time on the oval and the fort. Board games, puzzles, lego, and recycled construction are a few other items we have on offer during the fortnight.

### Words from some of our Buddy Leaders!

Shelby – I have really enjoyed science week. I can't wait to do it again as experiments are so cool.

Cooper. H – Flubber was my favourite activity.

Cooper. H – We talked about saving water. I challenge you all to have only 4 mins showers. I did it.

Savanna – I have loved that we have a choice on what activities we would like to do for term 3.

**We offer homework club if you would like to have your child/ren do it at after school care.**

## GREAT FUN

- ★ Outdoor games and sports
- ★ Arts & Crafts
- ★ Playing with friends
- ★ Great Educators
- ★ Food and Cooking
- ★ Indoor Activities

### Important Notices:

Please remember to bring your hats so that we can go outside to play.

### Donations Welcomed:

- Dolls, cars or other toys in good condition that are needing a new home.
- Button up shirts that we can turn into art aprons

Thank you

Vesna
