What we did last fortnight!

The children were excited to receive some more new items, the marble run was hands down the winner of the afternoon when it arrived. They all sat down together and built the run and raced the marbles down the run.

We went under the sea and looked at different animals during the week. Sharks, Puffer fish, sea turtles, seahorses and octopi. We looked up facts about these animals which really interested the children and the children had laughs as they puffed up and pretended to be puffer fish.

Traveling to Japan was fun as the children learnt how to count to 10 in Japanese, made carp kites which the children enjoyed flying while outside. The ninjas the children cheated was their favourite activity of the week.

We have been trying out new recipes from our healthy cookbook. Peach upside down cake, damper, apple chips. Making dip amongst other food items.

Sports is enjoyed on a daily basis inside and outside playing dodgeball, soccer, touch as well as tag, races, and helicopter. Reading, building castles using the straw and connectors, playing outside, home corner and cars.

What we have planned for the next fortnight!

In the next fortnight we will be keeping up with what is happening at the Rio Olympics and creating some artwork to display in the hall, having a lego building competition and also travelling to Paris as the children want to learn more about our world. Other activities which will include, physical activities, drawing, painting, baking, soccer, group games, helicopter, skipping, ball games time on the oval and the fort. Board games, puzzles, lego, and recycled construction are a few other items we have on offer during the fortnight.

Words from some of the children attending the service!
