JONES HILL STATE SCHOOL COMMUNITY FETE NEWS

SAVE THE DATE 14th OCTOBER 2016 4PM – 8PM

Monday 1st August 2016 - Issue 1

Next Fete Meeting – Thursday Morning 9am @ The Office

How exciting our Fete will be, it's the first one since 2002! Many activities and stalls will make this a great evening... we'd love to see everyone there. Don't forget to bring some Friends, Family, Aunts, Uncles, Cousins, Granny, Grandpa, Neighbours, Hairdresser...

Remember, all this is for your School! We are trying very hard to air condition those classrooms!

Volunteers Can you help? Be a Volunteer! There are many different ways you can volunteer, such as work on stalls, set up on the day/night, collect donations or selling raffle tickets. Please let one of our coordinators know if you can help, or simply tear off the 'Volunteer' section at the end of this Newsletter and place it in the P&C Box on the counter in the School Office.	Sweet Stall Can you Bake or are you a Sweet Lolly Maker? We are asking for people to be on our Baking Team for our Sweet Stall. Or alternately if you could donate good quality cake mixes, sugar, flour and eggs. Please contact our Stall Coordinators Carmel Window on 0418 810 850 or Natalie Hanson at email pandc@jonehillss.eq.edu.au
Chocolate Toss Stand Chocolate Blocks and Bars are currently being sought for our Chocolate Toss Stand. Donations are welcome and can be left at the Office.	Plant Stall Calling all green thumbs!!! We are seeking donations of plants in need of a new home. From the well tended, to potted colour, cuttings and seedlings. All donations are welcome. Donations will be accepted the week of the Fete.
Bottle Stall Thank you to all the parents for their donations they sent in for non-uniform day last term to "fill a bottle". We'd love more items and lots of empty jars! Please feel free to drop them into the School Office at any time.	Outside Stalls Any outside stall holders interested in our School Fete please contact Carmel Window or Natalie Hanson as a limited number of stall sites are available.

Class Stall Allocation and Convenors

There are still a few stalls with no convenor, please consider taking on this role. You will have the full support of the Fete Committee and the more volunteers we have, the less work you will have to do! It's easy and fun!
