

JUNIOR GOLF PROGRAM

Gympie Pines Golf Club Junior Golf Program

The Gympie Pines Golf Club Junior Golf Program is for all juniors under the age of 18. Our junior annual membership fee is only \$22 which allows full access to the course 7 days a week along with golf clinics every Sunday (9am to 10am – Patrick Jones or 3pm to 4pm – Ellesha Michie).

Throughout the Junior Golf Program, the basic fundamentals of grip, stance, alignment and swing is taught through a number of fun activities covering life skills such as self-reliance, patience, focus, determination, honesty and confidence.

Starting from beginners progressing through to Golf Club members, it's very important for juniors to be educated on the following which we cover in our program:

- Respect
- Sportsmanship
- Perseverance
- Teamwork
- Responsibility
- Leadership

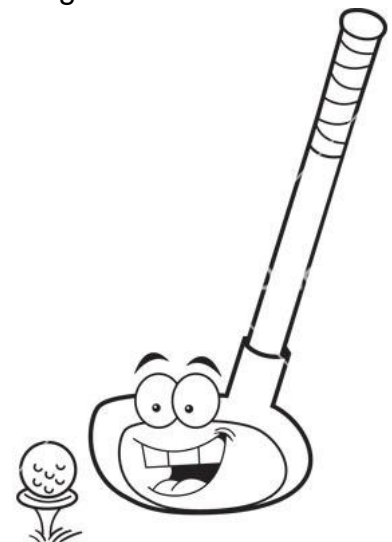

Our 10 week Junior Golf Program runs during each school term along with our School Holidays Junior Golf Clinics.

We look forward to seeing you at our Junior Golf Clinics.

Many Thanks

Ellesha Michie
