Service Name: Jones Hill

Date: 21/02/17

Phone: 0438 051 962

I would like to start out with welcoming all our new families and returning families for 2017. Looking forward to getting to know your children, while having a fun time at the service. We have a new staff member Akala Fisher as an assistant at our service, please make her feel welcome as she gets to know the school community here at Jones Hill.

What we did last fortnight!

We have been busy in the last fortnight, getting to know the new children and getting back into the swing of things at before and after school care. We have had fun with shadows where we created foil sculptures, traced the shadows of animals and talked about how shadows can change depending on where the sun is in the sky (time of day).

We have started creating our random art wall down at the hall where we have made frames using cardboard boxes as we enjoy recycled art. These frames will have artwork the children have created during the year which will be changed randomly.

The children were excited when yesterday Codey from Gympie Reptile Removals came to our service to talk to the children about snake safety and what to do if they see one. The children engaged in the snake topic when they told Codey about snakes at their houses and asked some fantastic questions.

Did you know there is 1 snake that can eat a cane toad and survive? Yes we do it is called a Keelback.

Painting, drawing, lego, cars, and role playing in the home corner were popular. Daily group games and sport activities are embedded into the service as the children enjoy spending time with their peers and being active.

What we have planned for the next fortnight!

We will be starting the Camp Australia's welcome program as this offers a range of welcome activities to help children and families feel 'at home' in each service. It also provides opportunities for children to learn from each other and build self-confidence through our Leadership Program. We will be creating a welcome signage which will include diversity activities, along with a family tree for our service.
