

AFTER SCHOOL CARE by Camp Australia

we make kids smile

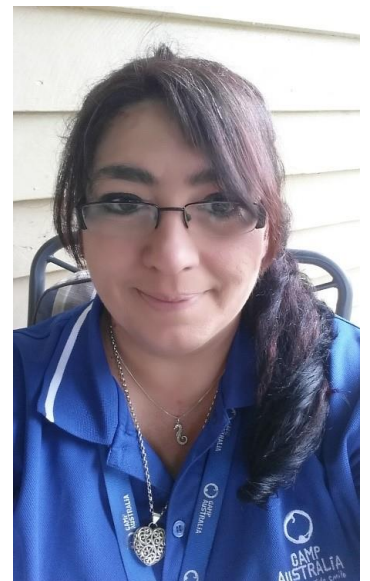

Welcome

The Outside School Hours Care program at Jones Hill State School is currently run by Coordinator Vesna Cvetkovic and Assistant Akala Fisher.

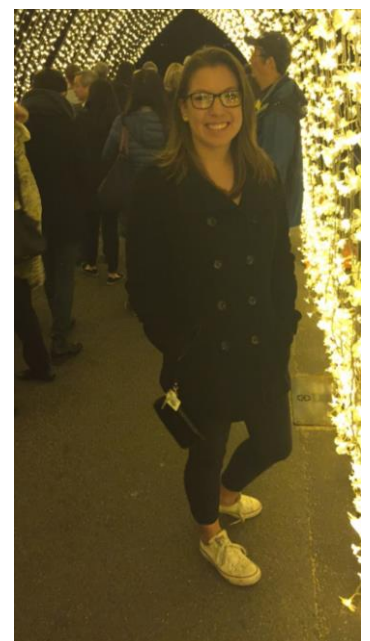

Vesna has been working with children since around 2002, as a foster parent, Teacher's Aide in the Structured Learning Department and has been working in Child Care and OSHC setting since 2012.

Akala is currently studying her Bachelor of Education (Early Education) at USC.

We like to provide children the time to relax, have fun and give support for homework. We also provide breakfast in the morning and a healthy afternoon tea. We incorporate many group activities to encourage teamwork such as sports, group games and group projects; we also encourage arts and craft indoors and outdoors. When it comes to planning our week of activities we discuss with the children what they would like to learn about and any activities they would like included in our week. If you have any enquiries or just want to get to know us we would love for you to come down to the school hall between 6:30am-9am or 2:30pm-6pm and we can help you out.

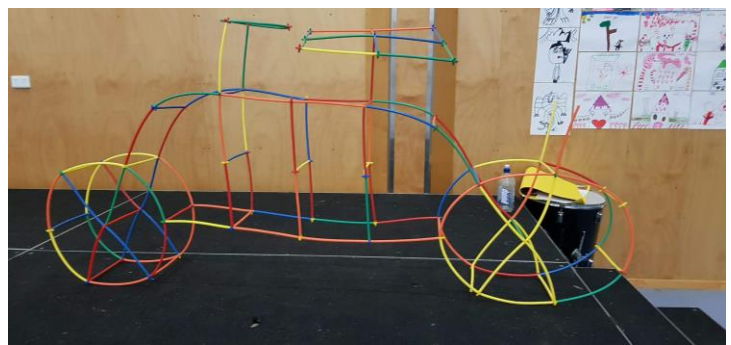

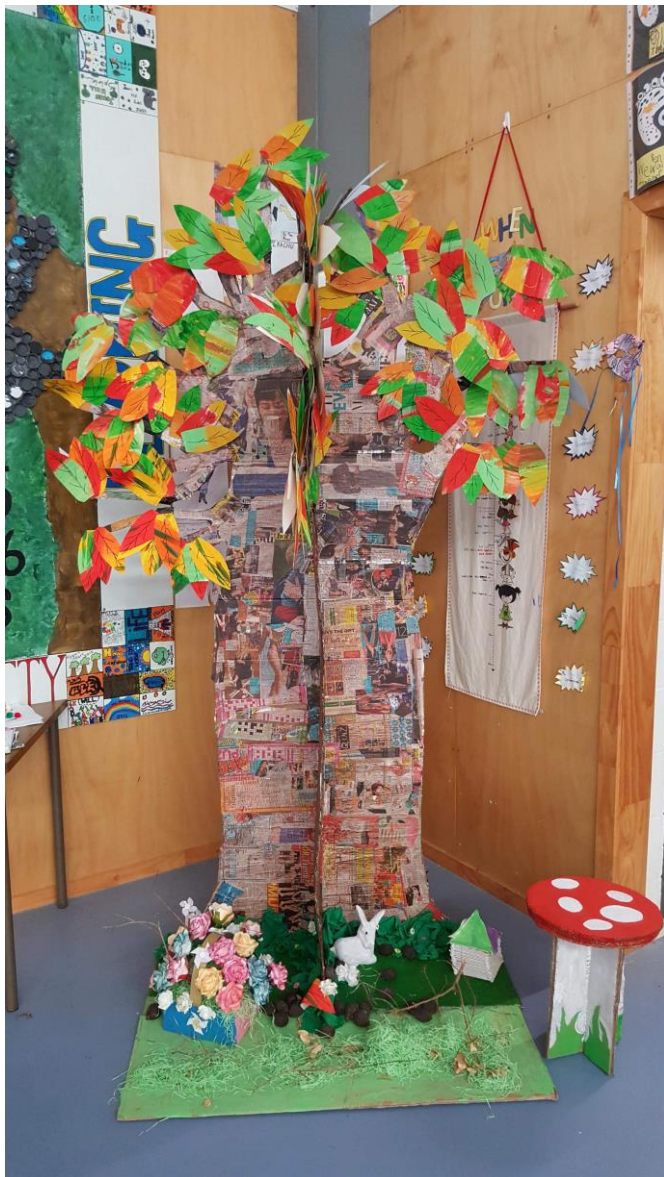

Vesna Cvetkovic - Coordinator

Akala Fisher – Assistant

Activities

The following photos are of different arts and craft projects some of the children have done. The biggest project we did was our quilt that we made to raise money for Indigenous Communities to provide basic stationary and school needs. Some of the children have also built, bikes, castles and farms out of the straws and connectors, and foam blocks.
