16th July 2018

Dear Parents and Guardians:

MUSTER Fundraiser 2018

We have again been fortunate to secure a role at this year's Gympie Muster. It involves providing and scanning wrist bands at the main gate leading into the entertainment area. There is no money handling involved. To fulfil this role, we require at least **six (6)** people over the age of 18, per shift. The shifts are from Wednesday through to Sunday from 7am to 10pm.

All volunteers who complete a six-hour shift will be provided with a wristband to enter the Muster Entertainment area on the day that they work, unfortunately this is non-transferable, as each volunteer has to be accredited before July 31st, and the pass will be electronically issued in their name. The volunteer wristband does require a \$5 donation to the designated Muster charity prior to being issued – but this is a once-off payment, regardless of how many times you receive a wristband. Free camping is available within the volunteer area for volunteers performing multiple shifts. For those volunteers who do not want to work a full six hour shift and do not require a wristband, shorter shifts are available.

Obviously we will try and provide you with your preferred shift/s, but please consider early morning and night time shifts as well; as these are the hardest to fill.

May I ask that you complete the form below and return it to the school office before Friday the 27th of July, as we are required to submit our volunteer list to the Muster Administration by the end of July.

I will be available at the McIntosh Creek Road entrance on Thursday morning and the school hall on Friday morning for those who have questions and would like to see the roster.

This fundraising activity is worth \$3500 to our School, and that is a lot of raffle tickets you don't have to buy and we don't have to sell.

Your help is needed.

Thankyou

Col Morley
