**Service Name:** Jones Hill State School OSHC      **Date:** Friday 07/08/15      **Phone:** 0438 051 962

### About our Staff

#### Coordinator- Vesna Cvetkovic

Hello my name is Vesna and I am a mum of 2 daughters. I have been working with children for about 10 years and in the OSHC since 2012. I am looking forward to meeting parents, carers and families and also getting to know your children, and helping them learn and achieve new skills while having fun. Please feel free to come and see me at the hall to have a look around and ask any questions you may have.

#### Regional Manager- Tracy Thompson

Hello, my name is Tracy and I am a mum of 2 sons. I have been working with Camp Australia for 5 years and in the children's services since 2013. My role is to support the staff in the service to provide good care for your children in a fun and safe environment. Should you have any concerns at any time you can send them through to our team at [osch@campaustralia.com.au](mailto:osch@campaustralia.com.au) and I will contact you directly.

#### What we have planned for the next fortnight!

In the next fortnight I will continue spending time getting to know the children and also meet new children as they come to the service, so that I can plan and program in mind with what will help your children achieve and to extend on their strengths they already have. We will be continuing on with creating our very own Super Hero Me Posters, creating indigenous Australian artwork and finding out about the history here in Gympie. Setting up our garden in the Eco area, with plants and edible vegetables for the children to grow, look after and enjoy. We will also be talking about sustainability and taking care of the environment, recycled construction and starting on making a weave t-shirt rug. A range of physical activities, games, craft, construction and puzzles for your children to also enjoy at BSC and ASC.

#### What we did last fortnight!

In the last fortnight we have been spending time talking, laughing, having fun, smiling and playing games while getting to know each other. Paper planes have been flying around the halls in the morning, and trying out more complex designs to see how they fly. Skipping is popular (they have even skipped with the hula hoops), along with other physical activities like handball, basketball and soccer. We have done drawings, taught each other to play uno and other board games. Recycled Construction, Frisbee making, drawing, twister, my super hero me poster, physical activities are just a few of the other things we have enjoyed over the last 2 weeks.

#### Donations welcomed!

- We would appreciate donations of old t-shirts all colours and sizes are welcomed as we will be trying to collect as many as we can to create woven t-shirt rugs.
- Egg cartons.

#### How to enrol in our program:
