### What we did last fortnight!

Last fortnight we started the Junior Global Citizenship Program. We have been creating handmade gifts that will be sent to the orphan children in the Sophakama Community in South Africa. Puzzles, memory games, alphabet and number games were also made. We also have been able to eat some of the produce that we have been growing in our garden. The children are snacking on vegetables when we water and weed our garden area. Sports is as always a highlight every day at before and after school care. Playdough, puzzles, board games, painting, recycled construction and also helping the children with homework are some of the other activities we have done.

### What we have planned for the next fortnight!

We will be continuing to finish off our items to send to the Sophakama children in South Africa. The children did a wonderful job in the last fortnight so we are close to finishing them off. Other activities planned for this fortnight are origami, mono-printing, watercolour paper weaving and also some cooking. Continuing to look after our garden and visit the chickens. A range of physical activities, games, craft, construction and puzzles for your children to also enjoy at BSC and ASC. Children are helped with homework, sight words and reading when needed. Sports and group games will also be enjoyed during before and after school.

### Donations welcomed!

- Small jars with lids
- Round plastic lids

### Junior Global Citizenship Program

Our Junior Global Citizenship Program encourages children to explore their own values and share their opinions while respecting the values and opinions of others. By encouraging children to do this through our program, you are creating a base for a contributing global citizen that lasts a lifetime.

Working in partnership with Oxfam Australia we created our exclusive Junior Global Citizenship Program. This program and the activities provided have been approved by Oxfam Australia as culturally respectful. As evidence of Camp Australia's commitment to the values of Global Citizenship we will provide financial support to Oxfam Australia's partner organisation, Sophakama Community Based Development, Care and Support Organisation based in Port Elizabeth, South Africa.

Thank you  
Vesna
